

The Proceedings of CIHA 2016 Beijing

The 34th CIHA was held in Beijing, China, in September 2016. After collecting, reorganizing and revising, we began to edit the conference essays in October 2017, and they will be published in 2018. There are 255 articles in this collection, with authors from 39 countries, and 181 non-Chinese essays and 74 Chinese essays. In total, the number of words approximates 1,760,000, and the illustrations amount to about 2200. The essays will be published in their original languages. They are divided into 21 parts, corresponding to the 21 sessions of the conference, and every part is subdivided according to the panels of each session. Every part starts with an introduction by session chairmen.
